

RESOLUTION NO. 09-11

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA CAÑADA FLINTRIDGE, CALIFORNIA REQUESTING CONSENT OF THE CITY COUNCIL OF THE CITY OF GLENDALE TO THE FORMATION OF PROPOSED ASSESSMENT DISTRICT NO. 09-1 (SANITARY SEWER PROJECT AREAS 5, 6E & 6J), CITY OF LA CAÑADA FLINTRIDGE, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, AND THE APPROVAL OF THE PROPOSED RESOLUTION OF INTENTION THEREFORE

WHEREAS, the City Council (the "City Council") of the City of La Cañada Flintridge (the "La Cañada Flintridge") proposes to adopt a Resolution of Intention initiating proceedings for the formation of an Assessment District to be designated Assessment District No. 09-1 (Sanitary Sewer Project Areas 5, 6E & 6J), City of La Cañada Flintridge, County of Los Angeles, State of California (the "Assessment District"), pursuant to the provisions of the Municipal Improvement Act of 1913 (the "Improvement Act"), Division 12 (commencing with Section 10000) of the Streets and Highways Code of the State of California, Article XIIID of the Constitution of the State of California ("Article XIIID") and the Proposition 218 Omnibus Implementation Act (commencing with Section 53750) of the Government Code of the State of California for the purpose of financing the acquisition or construction of certain public improvements (the "Improvements") within such Assessment District as described in the proposed Resolution of Intention is attached hereto as Exhibit "A" and incorporated herein by reference (the "Resolution of Intention"); and

WHEREAS, the territory proposed for inclusion in the proposed Assessment District includes parcels of land located within La Cañada Flintridge as well as certain other parcels of land located in whole or in part within the City of Glendale ("Glendale") that, in the opinion of the City Council, will be specially benefited by the Improvements; and

WHEREAS, a portion of the Improvements is proposed to be located within Glendale; and

WHEREAS, a map indicating by a boundary line the extent of territory included within the proposed Assessment District (the "Boundary Map") has been presented to the City Council; and

WHEREAS, pursuant to Section 10103 of the Improvement Act and Sections 5117 and 5118 of the Improvement Act of 1911, Division 7 (commencing with Section 5000) of the Streets and Highways Code, before the City Council may adopt a resolution of intention initiating such proceedings, it must submit the proposed Resolution of Intention to and obtain the consent of the City Council of the City of Glendale (the "Glendale City Council") to the formation of the proposed Assessment District and the approval of the Resolution of Intention and the proposed Improvements;

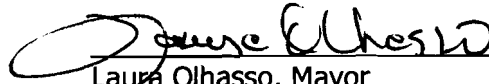

NOW, THEREFORE, be it resolved by the City Council of the City of La Cañada Flintridge as follows::

SECTION 1. The City Council hereby requests, pursuant to Section 10103 of the Improvement Act, the consent of the Glendale City Council to the formation of the proposed Assessment District and the approval thereof of the Resolution of Intention and the Improvements as presented to the City Council at the meeting at which this resolution is adopted.

SECTION 2. La Cañada Flintridge shall hold harmless and indemnify Glendale, its officers and employees, from any and all causes of action, claims, losses or damages which may arise, directly or indirectly, from the action of the Glendale City Council in reviewing and granting its consent to the formation of the Assessment District and approving the Resolution of Intention and the Improvements.

SECTION 3. The City Clerk of La Cañada Flintridge shall transmit a certified copy of this resolution together with copies of the proposed Resolution of Intention and Boundary Map to the City Clerk of Glendale.

PASSED, APPROVED AND ADOPTED this 18th day of May, 2009.

EXHIBIT "A"

RESOLUTION NO. _____

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA CAÑADA
FLINTRIDGE, CALIFORNIA, DECLARING INTENTION TO ORDER THE
CONSTRUCTION OF CERTAIN IMPROVEMENTS IN PROPOSED ASSESSMENT
DISTRICT NO. 09-1 (SANITARY SEWER PROJECT AREAS 5, 6E & 6J);
DECLARING THE IMPROVEMENTS TO BE OF SPECIAL BENEFIT; DESCRIBING
THE DISTRICT TO BE ASSESSED TO PAY THE COSTS AND EXPENSES
THEREOF; AND PROVIDING FOR THE ISSUANCE OF BONDS**

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LA CAÑADA
FLINTRIDGE (THE "CITY") AS FOLLOWS:

SECTION 1. The public interest and convenience require, and it is the intention of this body, pursuant to the provisions of Division 12 of the Streets and Highways Code of the State of California (the "Municipal Improvement Act 1913") (the "Improvement Act"), to order the construction of certain public improvements, together with appurtenances and appurtenant work, in a special assessment district known and designated as Assessment District No. 09-1 (Sanitary Sewer Project Areas 5, 6E & 6J) (the "Assessment District").

DESCRIPTION OF IMPROVEMENTS

The improvements proposed to be financed through the levy of assessments on properties within the Assessment District are sewer improvements, including mainline low pressure sewer lines and lateral lines connecting such main lines to grinder pump stations to be installed on each of the properties within the Assessment District, two (2) odor control facilities and appurtenances and appurtenant work, including [the slurry sealing of streets within which the sewer lines are installed] and the payment of connection fees necessary to provide sewer treatment plant capacity to serve the properties within the Assessment District, all necessary for and to specially benefit properties within the boundaries of the Assessment District (collectively, the "Improvements"). The description of the Improvements contained in this Resolution is general in nature, and the plans and profiles of the Improvements as contained in the Engineer's Report shall be controlling as to the correct and detailed description thereof.

All of the Improvements to be constructed or acquired are to be installed at the places and in the particular locations, and to the sizes, dimensions and materials, to the lines, grades and elevations as shown and delineated upon the plans, profiles and specifications, all to be made a part of the Engineer's Report (defined below).

All rights-of-way and easements required for the Improvements shall be shown upon the plans referred to herein and to be filed with these proceedings.

DESCRIPTION OF ASSESSMENT DISTRICT

SECTION 2. The Improvements confer special benefit on the properties within the Assessment District. This legislative body hereby determines that the expenses of the construction of such Improvements which reflect the special benefit to be conferred on the properties within the Assessment District from such Improvements are chargeable upon such properties. Such properties are described as follows:

All of that certain territory in the proposed Assessment District included within the exterior boundary lines shown on the map exhibiting the property specially benefited and proposed to be assessed to pay the expenses of the acquisition or construction of the Improvements described above, such map entitled "PROPOSED BOUNDARIES OF ASSESSMENT DISTRICT NO. 09-1 (SANITARY SEWER PROJECT AREAS 5, 6E & 6J)", and which map was previously approved by this legislative body and is on file with the transcript of these proceedings. For all particulars as to the boundaries of the Assessment District, reference is hereby made to such boundary map.

REPORT OF THE ASSESSMENT ENGINEER

SECTION 3. The proposed Improvements are hereby referred to Koppel & Gruber Public Finance (the "Assessment Engineer"), who is hereby directed to make and file a report as required by the Improvement Act, the Special Assessment Investigation, Limitation and Majority Protest Act of 1931 (Division 4 of the Streets and Highways Code) (the "Investigations Act"), Article XIIID of the Constitution of the State of California and the Omnibus Proposition 218 Implementation Act (Government Code Section 53750) (collectively, the "Assessment Law"), such report to be in writing and contain the following:

- A. A description of the Improvements;
- B. Plans and specifications of the Improvements sufficient to show or describe the general nature, location and extent of the Improvements;
- C. An estimate of the cost of the construction of the Improvements, including the cost of the incidental expenses, in connection therewith;
- D. A diagram showing, as the same existed at the time of passage of this Resolution, the following:
 1. the exterior boundaries of the Assessment District;

2. the lines and dimensions of each parcel of land within the Assessment District; provided, however, such diagram may refer to the county assessor's maps for a detailed description of such lines and dimensions, in which case such maps shall govern for all details concerning such lines and dimensions;
- E. The proposed assessment of the total amount of the costs and expenses of the proposed Improvements upon the several divisions of land in the Assessment District in proportion to the estimated special benefits to be conferred on such subdivisions, respectively, by such Improvements. Such assessment shall refer to such subdivisions upon such diagram by the respective numbers thereof;
 - F. The total amount, as near as may be determined, of the total principal sum of all unpaid special assessments and special assessments required or proposed to be levied under any completed or pending assessment proceedings, other than that contemplated for the Assessment District, which would require an investigation and report under the Investigations Act, against the total area proposed to be assessed; and
 - G. The total true value, as near as may be determined, of the parcels of land and improvements which are proposed to be assessed.

When any portion or percentage of the assessable costs and expenses of the construction of the Improvements is to be paid from sources other than assessments, the amount of such portion or percentage shall first be deducted from the total estimated costs and expenses of such construction, and such assessment shall include only the remainder of the estimated costs and expenses.

FINANCING OF THE IMPROVEMENTS

SECTION 4. NOTICE IS HEREBY GIVEN that the City proposes to finance cost of the construction of the Improvements, including the cost of the incidental expenses, in connection therewith through (a) a loan from the State of California through the State Revolving Fund Loan Program of the State Resources Control Board to fund all costs eligible to be funded through such loan program (the "State Loan") and and/or (b) the issuance of bonds (the "Improvement Bonds") pursuant to the "Improvement Bond Act of 1915" (the "Bond Act"), Division 10 of the Streets and Highways Code of the State of California to fund that portion of such costs that are funded from the proceeds of the State Loan, if any. The repayment of the State Loan, if any, shall be secured by the unpaid assessments levied within the Assessment District pursuant to the provisions of Chapter 6.1 (Streets and Highways Code Sections 10550 and following) of the Improvement Act. The payment of the debt service on the Improvement Bonds shall

likewise be secured by the unpaid assessments levied within the Assessment District pursuant to the provisions of the Improvement Act and the Bond Act.

The provisions of Part 11.1 of the Bond Act, providing an alternative procedure for the advance payment of assessments and the calling of bonds shall apply to the Improvement Bonds.

The principal amount of the Improvement Bonds maturing each year shall be other than an amount equal to an even annual proportion of the aggregate principal of such bonds, and the amount of principal maturing in each year, plus the amount of interest payable in that year, will be generally an aggregate amount that is equal each year, except for the first year's adjustment.

Pursuant to the provisions of the Improvement Act and specifically Streets and Highways Code Section 10603, the Treasurer is hereby designated as the officer to collect and receive the assessments during the cash collection period.

ASSESSMENT LAW

SECTION 5. Except as may otherwise be provided for in the issuance of the bonds described above, all of the Improvements shall be constructed pursuant to the provisions of the Assessment Law.

SURPLUS FUNDS

SECTION 6. If any excess shall be realized from the assessment, it shall be used, in such amounts as the legislative body may determine, in accordance with the provisions of law for one or more of the following purposes:

- A. Transfer to the general fund; provided that the amount of any such transfer shall not exceed the lesser of One Thousand Dollars (\$1,000.00) or five percent (5%) of the total from the Improvement Fund;
- B. As a credit upon the assessment and any supplemental assessment;
- C. For the maintenance of the Improvements; or
- D. To call bonds.

IMPROVEMENT FUND

SECTION 7. The legislative body hereby establishes a special improvement fund identified and designated by the name of this Assessment District, and into such Fund monies may be transferred at any time to expedite the construction of the

Improvements, and any such advancement of funds is a loan and shall be repaid out of the proceeds of the sale of bonds as authorized by law.

GRADES

SECTION 8. Notice is hereby given that the grade to which the work shall be done is to be shown on the plans and profiles therefor, which grade may vary from the existing grades. The work herein contemplated shall be done to the grades as indicated on the plans and specifications, to which reference is made for a description of the grade at which the work is to be done. Any objections or protests to the proposed grade shall be made at the public hearing to be conducted under these proceedings.

PROCEEDINGS INQUIRIES

SECTION 9. For any and all information relating to these proceedings, including information relating to protest procedure, your attention is directed to the person designated below:

EDWARD HITTI, P.E., DIRECTOR OF PUBLIC WORKS
CITY OF LA CAÑADA FLINTRIDGE
1327 FOOTHILL BOULEVARD
LA CAÑADA FLINTRIDGE, CALIFORNIA 91011-2137
(818) 790-8882

PUBLIC PROPERTY

SECTION 10. All public property shall be subject to assessment in these proceedings unless otherwise expressly provided and listed herein. Notwithstanding the foregoing, the public street rights-of-way within the proposed boundaries of the Assessment District, including those street rights-of-way located within the City of Glendale and the City of Pasadena, will not specially benefit from the Improvements and will not, therefore, be subject to assessment.

ACQUISITION

SECTION 11. The public interest, convenience and necessity requires that certain land, rights-of-way or easements be obtained in order to allow the Improvements as proposed for this Assessment District to be accomplished. The Engineer's Report, upon adoption, shall set forth general description of the location and extent of easements and/or land necessary to be acquired.

NO CITY LIABILITY

SECTION 12. This legislative body hereby further declares not to obligate itself to advance available funds from the Treasury to cure any deficiency that may occur in the bond redemption fund. This determination is made pursuant to the authority of Section 8769(b) of the Streets and Highways Code of the State of California, and such determination shall further be set forth in the text of the bonds issued pursuant to the Bond Act.

COMBINED IMPROVEMENT ACT/INVESTIGATIONS ACT REPORT

SECTION 13. It is the intention of this legislative body to fully comply with the proceedings and provisions of the Investigations Act and specifically the alternate provisions thereof, being Part 7.5. The Report, as authorized by Streets and Highways Code Section 2961, will be on file with the transcript of these proceedings and open for public inspection.

ANNUAL ADMINISTRATIVE ASSESSMENT

SECTION 14. It is hereby declared that this legislative body proposes to levy an annual assessment pursuant to Section 10204 of the Streets and Highways Code of the State of California, such annual assessment to pay costs incurred by the City and not otherwise reimbursed which result from the administration and collection of assessments or from the administration or registration of any associated bonds and their related funds.

DESIGNATION OF SUPERINTENDENT OF STREETS

SECTION 15. For the purpose of these proceedings, the Director of Public Works of the City is hereby designated as the Superintendent of Streets.

PASSED, APPROVED AND ADOPTED this _____ day of _____, 2009.

Mayor
