

## RESOLUTION NO. 11-02

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA CAÑADA FLINTRIDGE ESTABLISHING AND ADOPTING AMENDMENTS TO PERMIT FEES UNDER THE ADOPTED BUILDING, ELECTRICAL, MECHANICAL, FIRE, PLUMBING, RESIDENTIAL, AND GREEN BUILDING CONSTRUCTION CODES**

**WHEREAS**, on January 18, 2011, the City of La Cañada Flintridge adopted, by reference (Ordinance No. 392-U), the Los Angeles County Department of Public Works Building and Safety Division's Building, Mechanical, Electrical, Plumbing, Fire, Residential and Green Building Construction Codes, 2010 Edition, with certain amendments, modifications, and deletions thereto, as the "City Building Code," and the same is set forth in Titles 4 and 7 of the La Cañada Flintridge Municipal Code; and,

**WHEREAS**, the City Building Codes authorize the City Council, by resolution, to establish fees for the provision of building related services; and,

**WHEREAS**, the last time that fees were approved by the City Council was on August 7, 2006 (Resolution No. 06-23); and,

**WHEREAS**, the City Council finds and determines that the fees established by this Resolution do not exceed the amount reasonably required to administer or process such permits, certificates or other forms of documents or to defray the cost of enforcement of the Building, Plumbing, Electrical, Residential, Green Building Construction, Fire and Mechanical Codes, and that the fees do not exceed the reasonable cost of providing such service; and,

**WHEREAS**, it is the intent of the City Council in adopting this Resolution to implement an updated fee schedule for building related services, as authorized by the City Building Code; and,

**WHEREAS**, on October 18, 2010 and January 18, 2011 the City Council conducted properly noticed public hearings concerning the fees adopted herein; and,

**WHEREAS**, the City Council has determined that the proposed fee schedule provides for operating expenses and is, therefore, exempt from the provisions of the California Environmental Quality Act.

### **NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LA CAÑADA FLINTRIDGE DOES RESOLVE, DETERMINE, AND ORDER AS FOLLOWS:**

Section 1. Fee Schedule. The City Council finds that the fees and charges set forth in the County fee schedules and the tables attached hereto as Exhibits "A" and "B" that adjust certain fees with the City multiplier of 1.50 will closely approximate the current City Building Plan Check and Permit fees. The City Council further finds and determines that fees for building permits and building related services established by the County's fee schedule may be increased by the County from time to time to accommodate changes in the consumer price index. Accordingly, the City Council finds and determines that it is reasonable that such building related fee increases should be passed through so that each corresponding fee set forth in the fee schedule and in Exhibits "A" and "B" shall be concurrently increased in equal amounts without further

action by the City Council. Based upon the foregoing, the City Council hereby finds that the fees and charges set forth in the County fee schedule as adopted by reference and as modified in Exhibits "A" and "B," including any increased fee amounts resulting from County fee increases actually charged to the City, do not exceed the actual cost to the City of providing the services to which each such fee or charge applies.

Section 2. Expedited Plan Check. Where an applicant for a residential building plan check that does not require County reviewed grading permits, or other commercial-level plumbing, electrical, or mechanical permits, wishes to shorten the time frame for his/her plan check review, the City Council authorizes the option for an applicant to pay for an accelerated review by the City. The "expedited plan check" shall cost the normal plan check fee plus a seventy-five percent (75%) surcharge of the plan check fee. The "expedited plan check" shall have a maximum queue of two (2) projects, except as may be extended upon the judgment of the Community Development Director. The "expedited plan check" shall be serviced on a "first come, first served" basis.

Section 3. Solar Photovoltaic Array Flat-Rate Permit Fees. To promote the use of alternative sources, the City Council does hereby lower the cost of specific permit fees related to the installation of solar photovoltaic arrays. The building and electrical plan check, inspection and permit fees for solar panels shall be based on the County's "Less than 10kw" valuation (\$10,000) in the fee schedule, regardless of project size. The building and electrical plan check fee (combined) shall be lowered to \$105.10, the inspection fee shall be lowered to \$94.30, and the permit issuance fee shall be lowered to \$26.10 for a total of \$225.50. This fee shall increase with all other fees as part of any CPI increases as noted in Section 1 above.

Section 4. Fee Adoption. For the purpose of establishing fees for building related services, including inspection and permitting services provided pursuant to the City's Building Code, the City Council does hereby approve and adopt the County's fee schedule by reference with modifications as set forth in attached Exhibits "A" and "B" including all fees and charges therein as adjusted for La Cañada Flintridge or as amended to reflect County fee increases passed through pursuant to the fee increase provisions set forth in Section 1, above. The City Council also adopts an "expedited review" surcharge fee that is seventy-five percent (75%) over and above the plan check fee for in-house residential-only building construction (limited queue [2] with Community Development Director discretion); and a fixed building and electrical plan check, inspection, and issuance fee for Solar PV Permits of \$225.50.

Section 5. Effective Date. Pursuant to California Government Code Section 66017, the fees established by this Resolution shall become effective 60 days from the date of adoption.

**APPROVED AND ADOPTED** this 18<sup>th</sup> day of January 2011.
