The Community Development Director has reviewed the request to remove three (3) antennas and replace with three (3) new antennas and remove and replace three (3) Remote Radio Head (RRHs). The applicant is also proposing new cabinet equipment. The proposed equipment would be an addition to an established telecommunications site. The proposed antennas are required to match the existing antennas onsite.

This approval does not require Design Commission approval. Based on this review, **YOUR REQUEST HAS BEEN APPROVED**. The proposed project complies with all Community Development Department standards.

If you have any further questions you may contact Assistant Planner, Harriet Harris, at (818) 790-8881.
