PLANS

Plans

[View Full List](#)

Under Plans section users will see all information pertaining to their Planning Cases with the City's Community Development Department. Each circle corresponds with different aspects:

- **Attention:** By clicking on the **Attention** status circle from the **Dashboard**, you will be given a list of all Plans requiring attention. The list includes Plan number, a status of Attention, Project name, Address attached to the Plan, Type, Status and a **clickable link for the Reason that the Plan needs the citizen's attention**.
- **Pending:** By clicking on the **Pending** status circle from the **Dashboard**, you will be given the list of all Plan Numbers that have been applied for which have a status of Pending, Project name, Address attached to the Plan, Type, Status and Reason.
- **Approved:** By clicking on the **Approved** status circle from the **Dashboard**, you will be given the list of all Plan Numbers which have been applied for that have been Approved, Project name, Address attached to the Plan, Type, Status and Reason.
- **Denied:** By clicking on the **Denied** status circle from the **Dashboard**, you will be given the list of all Plan Numbers that have been applied for which have been Denied, Project name, Address attached to the Plan, Type, Status and Reason.
- **Draft:** By clicking on the **Draft** status circle from the **Dashboard**, you will be given the list of all Permits and Plans which have been saved, but not submitted for review. These drafts may be incomplete and action may resume at any point in time. They may also be deleted from this screen if they are no longer needed.
- **Recent:** By clicking on the **Recent** status circle from the **Dashboard**, you will be given the list of all Plan Numbers that have been applied for which have a status of Recent, Project name, Address attached to the Plan, Type, Status and Reason.
