

Community Emergency Response Team Los Angeles County Fire Department

Firefighters will teach residents how to prepare and respond in the event of a major disaster. Learn from the experts how you can take care of your family and neighbors during a fire, earthquake or other emergency.

LA CANADA FLINTRIDGE

Begins January 16, 2016

Following a major disaster, police, fire and medical professionals may not be able to meet the demand for emergency medical attention. Residents and neighbors may need to rely upon one-another to help with immediate lifesaving needs, particularly in isolated neighborhoods that may be cut off from the main roads.

The County of Los Angeles Fire Department Community Emergency Response Training (CERT) was developed through FEMA to provide basic fire safety and lifesaving skills.

The Course Curriculum Covers the Following

• Disaster Preparedness	• CERT Organization
• Fire Safety	• Disaster Psychology
• Emergency Medical Operations-One victim	• Terrorism
• Emergency Medical Operations-Triage	• Fire Extinguisher Training
• Light Search and Rescue Operations	• Course Review and Disaster Exercise
