

CITY OF **LA CAÑADA FLINTRIDGE**

cordially invites you to the

Soundwall Phase I Dedication Ceremony

Tuesday, October 28, 2014; 4:00 p.m.

The project consisted of the construction of three soundwall segments to attenuate I-210 freeway noise in the following areas:

- (i) Soundwall No. S341 (South of I-210 - Foothill Boulevard eastbound on-ramp to Berkshire Place - eastbound off-ramp (Meadow Grove area);*
- (ii) the Metro-approved portion of Soundwall No. S338 (North side of I-210 Freeway Berkshire Place westbound on-Ramp to Foothill Boulevard - westbound off-ramp (just west of St. Francis High School); and*
- (iii) third soundwall No. S310 East segment, the eastern portion of S310 and overlapping wall; between Indiana Avenue and Union Street along the south side of Curran Street.*

Please join us as we celebrate the completion of the project and dedicate a beautiful mosaic that has been integrated into the City Soundwall located on Curran Street.

The ceremony will take place at the project site (corner of Curran Street and Indiana Avenue).
