7. Dilbeck Realtors Request to Sponsor a "Movie-in-the-Park" as part of the City's 2018 Music-in-the-Park Concert Series

Kerry Grochow, a representative of Dilbeck Realtor, stated their interest in sponsoring/hosting a Movie-in-the-Park after one of City's Music-in-the-Park Concerts.

Director of Administrative Services Alameda presented the staff report. He stated two sponsorships by a local business and a local newspaper had been accepted in prior years. He stated the Commission had previously discussed sponsorship of Music-in-the-Park extensively. The past discussions had raised hesitation with allowing sponsorship. They felt sponsorship of the Music-in-the-Park would create the perception that the sponsor(s) had put the event together when in fact it was a City recreational program for the community. He stated the Dilbeck request was not to sponsor the Music-in-the-Park but rather add an additional Movie-in-the-Park.

Commissioner Koblin asked if approving this request would open-up the door to other requests by the local business who want to provide similar sponsored events.

Chair Kamar did not see an issue with having more sponsored events.

Commissioner Koblin stated his concern of sponsorship leading to commercialization of Music-in-the-Park. He supported having the event on a non-Music-in-the-Park day.

Kerry Grochow, confirmed past community groups have had similar events on other days.

Vice Chair Decker voiced her concerns with advertising of City's Music-in-the-Park by local businesses as their own in their marketing material. She agreed with concerns of sponsoring movies after Music-in-the-Park. She also voiced her concerns of added traffic and impact of business clients attending the events.

Commissioner Koblin stated his opposition to commercializing Music-in-the-Park in any way including sponsorships.

Director of Administrative Services Alameda, stated that due to this year's schedule, the size of the bands, and few logistical issues, there would not be a viable opportunity for the proposed sponsor event to occur prior to a Music-in-the-Park concert.

Vice Chair Decker agreed with Commissioner Koblin regarding commercializing the Music-in-the-Park concert series. She stated her support for a Saturday event.

Kerry Grochow preferred to have the sponsored event after Music-in-the-Park, but would consider a Saturday event.

Director of Administrative Services Alameda stated that should the Commission decide to have the applicant hold a standalone event, separate from Music-in-Park, the Commission would not take any action, but

recommend that the applicant work with staff on reserving the park for their event.

M/S/C: Commissioner Koblin/Decker to reject the applicants request and direct applicant to work with staff on reserving the park on a different day.
