SNiP for Feral Cats

**Spay & Neuter services at
Pasadena Humane Society & SPCA**

In an effort to reduce the number of homeless cats in our service areas, PHS offers free, year-round TNR services for feral cats to residents of Arcadia, Glendale, La Cañada Flintridge, Pasadena, South Pasadena, San Marino and Sierra Madre. All cats will be spayed or neutered, eartipped and given their FVRCP and Rabies vaccinations. Microchipping for feral cats are available for \$7.00.

Caretakers are assigned a specific week for their appointment and can bring in the trapped cat(s) any day that week, between Monday through Friday from 9am - 4pm. We will try to spay / neuter the cat(s) as quickly as possible. However, if the cat is held at the shelter overnight or longer, it will be fed and taken care of. We will call you when the cat is ready to be picked up. Please be prepared to pick up by 4:30pm that day.

To rent a trap, call the Main Office at ext. 100. Trap rentals are \$4/day for maximum of ten days with a \$80 refundable deposit. Please call early to coordinate the appointment with the trap rental as there is a waiting list for both appointments and trap rentals. You can also try: Highlander Pets 626.357.1787, Steve's Pet 626.798.6290 or Virgil's Hardware 818.846.8756 for trap rentals.

For more information or to make an appointment you can check out our website <http://www.phsspca.org/SNiP/index.htm>, call 626.792.7151 ext. 132 or email snip@phsspca.org. Thank you for helping us reduce the number of homeless cats in our neighborhood!

CATS WILL NOT BE ACCEPTED WITHOUT APPOINTMENTS.
