## IV. PROCESSING YOUR APPLICATION

The following steps are typically involved in processing a Floor Area Review request.

- A. **Pre-Application Review.** A preliminary meeting with the Planning Staff is recommended, though not required. The meeting gives you and staff an opportunity to review your project and the applicable Zoning standards.
- B. **Application Submittal.** After you have prepared your plans and filled out the application forms, bring them, with the required fee, to the Planning Department. You will receive a case number for your project and a receipt for your payment. Only three (3) sets of plans are required for the initial review.
- C. **Staff Review of Application for Completeness.** The Planning Staff will let you know if there is anything missing from your application packet or set of plans. When the packet is deemed complete and a date is set for deciding your request, thirteen (13) sets of plans will be required.
- D. **Staff Review for Environmental Determination.** Your project will be reviewed for any possible environmental impacts. If additional information is required, we will notify you.
- E. **Staff Review of the Modification Request.** Staff will examine the application materials, including your plans, justification statement and other information. We will make one or more site visits, and may contact surrounding property owners.
- F. **Decision on Request.** A decision on your request will be made by the Planning Commission. The decision could be approval, approval with conditions, denial, or continuation for redesign. **THE PLANNING COMMISSIONERS WILL VISIT YOUR**
