

VARIANCE APPLICATION

I. INTRODUCTION: Variances are required for new structures or additions which do not meet required zoning standards. Variances may be granted only for specific reasons, including unusual physical characteristics of the property. Variances must be approved by the Planning Commission, which may place conditions on both the project and the resulting land use. This guide and the attached forms identify the information which you must provide to the City before a decision can be made on your Variance request. You are also encouraged to contact the Planning Department at 790-8881, if you have any questions about your project or the application process.

II. APPLICATION REQUIREMENTS: The following items are required to be submitted to the Planning Department when applying for a Variance:

A. Attached Forms:

1. **Supplemental Form** - including a description of the proposed project, a statement of how the request meets the required Variance findings, and an original signature from the property owner.

B. Drawing Sets:

1. **Site Plan** - thirteen (13) copies* at a scale of 1"=20' or larger (or as otherwise approved by the Director), and including the following:
 - Location of lot lines, streets (with street names), easements, and all structures (existing and proposed);
 - Slopes, contours, trees and other pertinent physical features;
 - Vehicle circulation and parking areas, including dimensions of drive aisles and parking spaces;
 - All exterior lighting, existing and proposed; and
 - Location, use and approximate distance from property line of the nearest structures on all properties surrounding the project site. This may be submitted as a separate map or included on the site plan.
2. **Building Elevations** - thirteen (13) copies* - at a scale of 1" = 8' or larger (or as otherwise approved by the Director), showing:
 - All exterior sides of all existing and proposed buildings;
 - Overall building height and angle plane conformity (See R-1 standards, attached); and Description of all exterior building materials and colors.
3. **Floor Plans** - thirteen (13) copies* at a scale of 1" = 8' or larger, including the following:
 - Dimensions and description of the proposed use of all interior floor area;
 - **Shading of the affected walls and areas to be modified or built;**
 - All dimensions of interior rooms or other enclosed areas; and
 - Location of all plumbing equipment, existing or proposed.

NOTE: Please collate and fold all plans and maps to approximately 8½" x 11". **Plans shall not exceed 24" x 36" in size.**

VARIANCE APPLICATION

**The applicant may submit four (4) sets of plans for the initial review. Once it has been determined that the plans contain the necessary information, a total of thirteen (13) sets are required.*

C. Other Materials

1. **Digital Plan Submittal:** All plans will be required to be submitted in digital format (jpeg, tiff). Alternatively, an 8½” x 11” reduced print of each drawing sheet may be submitted.
2. **Title Report or Grant Deed**
3. **Application Fee:** The amount is established by the current fee schedule adopted by the City Council (see below.) Checks should be made payable to the City of La Canada Flintridge

III. PROCESSING YOUR APPLICATION

- A. **Pre-Application Review:** A preliminary meeting with the Planning Staff is recommended, though not required. The meeting gives you and Staff a chance to review your project and the applicable zoning standards.
- B. **Application Submittal:** After you have prepared your plans, and assembled all required information and materials, bring the application packet and the required fees to the Planning Department. Your project will be assigned a case number and you will receive a receipt for your fee payment. Only three (3) sets of plans are required for the initial review.
- C. **Staff Review of Application for Completeness:** You will be notified if anything is missing from your application packet. When the packet is complete and a date is set for deciding your request, a total of thirteen (13) sets of plans will be required.
- D. **Staff Review for Environmental Determination:** Your project will be reviewed for any possible environmental impacts. If additional information is required, we will notify you.
- E. **Design Review:** Your project may also require review by the Design Review Board for design, landscaping, signs, etc. Contact the Planning Department for additional information.
- F. **Staff Review of the Variance request:** Staff will examine the application materials, including your plans, justification statement and other information. We will make one or more site visits, and may contact surrounding property owners.
- G. **Decision on Request.** A decision on your request will be made by the Planning Commission. The decision could be approval, approval with conditions, continuation for redesign, or denial. **THE PLANNING COMMISSIONERS WILL VISIT YOUR SITE PRIOR TO THE MEETING. BE SURE TO ARRANGE FOR OPEN GATES, PENNING OF ANIMALS, ACCESS TO SITE, ETC.**
- H. **Appeal:** If you or any person interested in the project disagrees with the outcome, the decision can be appealed to the City Council. Information regarding the appeals process is available at the Planning Department.
