**Street parking and vehicular access will be restricted during grinding and paving operations. It is required that you keep your vehicle(s) off the street during these operations. Access to your driveway will be limited during pavement installation and cool down. Please park your car outside of project limits to access by foot.**

A City Inspector will be present at the jobsite and happy to answer your questions or provide assistance needed. If you cannot locate the Inspector, please contact the Public Works Department at 818-790-8882 between the hours of 7:00 a.m. to 5:00 p.m. Thank you in advance for your cooperation while we improve the City's infrastructure.
