

**ATTENTION BUILDING PERMIT APPLICANTS**

*There is NO SELF-HAULING in the City of La Cañada Flintridge.  
It is your responsibility to confirm with the haulers what materials they recycle  
– it may vary depending on the hauler.*

(Roll-off, Commercial,  
& Residential Services)

**NOTICE:** Use of unauthorized waste haulers for any project may result in the suspension of building inspections and permits, and the forfeiture of Performance Security. La Cañada Flintridge Municipal Code requires that only authorized waste haulers transport any type of solid waste in the City, including construction & demolition debris and roofing tear-off.

**BINS IN THE STREET:** To put a bin in the public right-of-way, you must have an Encroachment Permit with the Public Works Department.

*If the total scope of construction and demolition – spanning all active permits – is 1,000 sq-ft or larger, a refundable Performance Security will be required for Debris Management.*
